

March 5, 2023

Dear Friends of Cleghorn School Park,

Thanks to you the Cleghorn School Park has been growing since its inception in August of 2004. The park is becoming a very busy place. This is what we envisioned; that it would be used by people of all ages and keep coming back.

Due to our growing need for improvements and renovations, we continue to hold our annual Cleghorn Harvest Fest to promote the park facilities and generate a small income to keep things moving in a positive direction. The Cleghorn Harvest Fest is always held the weekend after Labor Day. This year the Fest dates are Friday, Saturday, and Sunday, September 8, 9 and 10. Our fest is filled with fun vents for all ages, including: a silent auction, kid’s games, classic car show, parade, live music, pie and ice cream social, crafters and farmers market, firemen’s breakfast, softball and Kubb tournaments, the best charcoaled chicken in the area, other food and beverages, and so much more!

Each year we seek monetary donations and items from local businesses to be sold in our silent auction and raffle items or door prizes for events being held all weekend at the Cleghorn Harvest Fest. All proceeds benefit the Cleghorn School Park and the local community. Your donation is tax deductible; all gifts are accepted and appreciated. For more information, become a fan of the Cleghorn Harvest Fest on Facebook, www.facebook.com/CleghornHarvestFest or visit our website, www.cleghornharvestfest.com.

Sincerely,

Cleghorn Lions Club & Harvest Fest Committee
